Subject Chet's executive council agenda reports

Valerie, here are my agenda items for the January 2009 Executive Council meeting. I will be on-line during the meeting to provide additional information and answer questions.

1. Fundamentals program - This CLE program continues on its planning pace. Several additional faculty volunteered in the past 2 months and the faculty is nearly completed. We are planning to present in September and believe Tampa had been specified as the host location.
2. Health law journal - Several members of the section have indicated a strong interest in managing/writing for the Health Law Section's Health Law Journal, which will focus on Florida issues. Barbara del Castillo will serve a major editing role. Annual publication by mid-November is planned with the inaugural issue scheduled for publication November 11. Executive council members will be solicited for articles on specified topics.
3. Certification course - Chair Sandra Greenblatt has compiled a roster of speakers and topics for the 2009 certification course.
4. Website - The website continues to be operational and its utility is improving as evidenced by the number of increased hits and responses received.

Regards, Chet
