Course No. 1675R

Those who have applied to take the certification exam may find this course to be a useful tool in preparing for the exam. It is developed and conducted without any involvement or endorsement by the BLSE and/or Certification committees. Those who have developed the program, however, have significant experience in their field and have tried to include topics the exam may cover. Candidates for certification who take this course should not assume that the course materials will cover all topics on the examination.
